Sir,

Subject:- Acquisition of property (Cauvery Rice Mill) Door No.1295 in Devaraj Mohalla, Mysore, belonging to Mr. Sivaramiah.

In forwarding herewith a copy of the Resolution, re: the subject noted above, passed by the City Improvement Trust Board in their Meeting held on 31st October 1939, to the effect that the proposed acquisition (of the property noted above) might be taken up and the Government requested for the necessary additional grant for this purpose, I have the honour to state as follows:-

The property under reference, viz., the Cauvery Rice Mill, (noted above) is situated just at the entrance to the Mysore City from the Railway Station. Any body entering the City cannot but observe the smoking chimney with its adjuncts, consisting of ill laid lines of buildings and structures of this Rice Mill. The impression is not edifying, particularly as the surroundings of the Railway Station, are occupied by a series of fine and imposing buildings like the Railway Offices, the Exhibition Buildings, the University Medical College, the Pathological Laboratory, the Chelu-vamba Hospital and the Modern Hindu Hotel and the Hotel Metropole. In order to improve the general sanitation and appearance, it is necessary to remove from this area this ugly looking Rice Mill, which is a source of insanitation and nuisance on account of the dirt, dust, noise, and smoke. Hence the present proposal for the compulsory acquisition of this property.

Sir,

Subject:- Acquisition of Cauvery Rice Mill in Jeevanrayana-katte in Devaraja Mohalla, Mysore, belonging to Mr. Sivaramiah.

With reference to your letter No.L.4929 dated the 24th of November 1939 enquiring if the cost of the above acquisition could be reduced, I have the honour to enclose a detailed estimate and a layout plan showing the different buildings and to state as follows:-

The property in question consists of a large extent of land and a number of buildings built over the area. The total extent of land which is irregular in shape is about 10062 sq yds., and the rate provided is only Re.1/- per sq yd. In this connection, I may mention that a portion of land belonging to the same property was acquired during 1936 for being added on to the Veterinary Hospital and a rate of 12 annas per sq.yd., was awarded, but on a reference to the Court, at the instance of the party, the District Judge, Mysore Division, awarded compensation, enhancing the rate of Re.1/- per sq.yd., (vide Judgment in Mis.Case No.89 of 1936-37 dated 12th January 1938). The same rate of Re.1/- per sq.yd., is therefore now provided and the cost of land itself comes to Rs.10,062/-.

As regards the buildings however, they consist of big Godowns, Stores, Machine Rooms, Workshops etc. They are all of different magnitude and design, and are in a fairly good condition. Consistent with the state of each building and the quality of materials used, and

(Next page please)

allowing for appropriate depreciation, the rates as would be fair and reasonable are allowed and could not be reduced. The estimated cost of all these building structures only comes to Rs.30,681/-. As the acquisition is of a compulsory nature, it is necessary to include in the estimate the statutory allowance of 15% on the actual cost of acquisition. This comes to Rs.6,112/-.

Thus, the total cost of acquisition of land and buildings including the statutory allowance comes to Rs.46,855/- or in round figures Rs.47,000/-.

In view of the circumstances explained above, it would not be possible to reduce the cost of acquisition.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.

Sir,

Subject:- Acquisition of property (Cauvery Rice Mill)
Door No.1296 in Devaraj Mohalla, Mysore, be-
longing to Mr.Sivaramiah.

In forwarding herewith a copy of the Resolution, re: the subject noted above, passed by the City Improvement Trust Board in their Meeting held on 31st October 1939, to the effect that the proposed acquisition (of the property noted above) might be taken up and the Government requested for the necessary additional grant for this purpose, I have the honour to state as follows:-

The property under reference, viz., the Cauvery Rice Mill, (noted above) is situated just at the entrance to the Mysore City from the Railway Station. Any body entering the City cannot but observe the smoking chimney with its adjuncts, consisting of ill laid lines of buildings and structures of this Rice Mill. The impression is not edifying, particularly as the surroundings of the Railway Station, are occupied by a series of fine and imposing buildings like the Railway Offices, the Exhibition Buildings, the University Medical College, the Pathological Laboratory, the Cheluvamba Hospital and the Modern Hindu Hotel and the Hotel Metropole. In order to improve the general sanitation and appearance, it is necessary to remove from this area this ugly looking Rice Mill, which is a source of insanitation and nuisance on account of the dirt, dust, noise, and smoke. Hence the present proposal for the compulsory acquisition of this property.

(next page please)

The estimated cost of the acquisition (exclusive of the machinery) of this property comes to Rs.46,855/- i.e., forty seven thousand rupees, in round figures. The Trust Board is not in a position to bear any portion of the cost of this acquisition, as the State Grant for the current year is only Rs.75,000/- and as the sum of Rs.40,000/- allotted in current year's budget for acquisition is not sufficient for the several important items of acquisitions, taken by the Trust Board, during the current year.

The subject was considered by the Trust Board at the Meeting held on 31st October 1939 when it was resolved to take up this proposed acquisition and request Government for the necessary additional grant for the purpose (vide Resolution copy enclosed). The preliminary notification for this acquisition is also being got ready.

In these circumstances, I request that the Government may be pleased to sanction an additional grant of Rs.30,000/- for this purpose, during the current year, at an early date, to enable the Trust Board to take up this acquisition work on hand this year alone.
